20FT ENSUITE BLOCK

Keep your hard working team feeling so fresh and so clean with our 20ft Ensuite Block. Whether your site is big or small, SCF's 20ft Ensuite Block is your all in one big impact hygiene solution.

Details

SCF Ensuite Blocks are fitted with a range of features including hot and cold water, large shower amenities, toilet, and hand basins. They are insulated for optimum temperature control and have exhaust fans to increase air flow.

Our 'plug and play' plumbing ensures quick and easy deployment, and all our units are built with the same high-quality materials as our standard containers and portable buildings, the SCF 20ft Ensuite Block is a must-have for busy sites that requires amenities. Each unit is construction compliant with all Australian standards and the National Construction Code 2013.

Our construction range thrives in harsh environments. Built from steel (including steel doors) with high quality fittings, our units are designed to last so your site isn't interrupted.
